New disclosure;

Reference numbers have been given to parts of the drawings, which are in accordance of guidelines given by USPTO, general information.

Old disclosure:

Legends were written on drawings, without reference numbers. This needed amendment as required .

Descriptions of drawings mention the reference numbers and characters, since these are

introduced into figures.

Old disclosure:

Though the drawings are essentially the same, reference characters are lacking.

New disclosure:

Fig 7 and fig 8 the details of the intercalated heads are drawn more clearly, as stated in text wherever heads are described, when related to basic implant or lag screw mode implant. This detail was thought essential.
